## Foreign Service Limited Position Opportunity - Water & Sanitation Specialist - FL-0028-03

**Organization:** E3/W  
**Location of Position:** Washington, DC  
**Open Period:** 01/15/2020 - 01/29/2020  
**Appointment Type:** This is an excepted service, time-limited appointment that is not-to-exceed five (5) years  
**Salary:** USD \$71,808 - \$105,452 (annually)  
**Number of Vacancies:** 1

**Description of Organization:** The Bureau for Economic Growth, Education and Environment (E3) seeks highly qualified, motivated professionals to serve as a Water & Sanitation Specialist, in the Office of Water (E3/W). E3/W works to advance sustainable results in support of the Agency Water and Development Plan under the U.S. Global Water Strategy by deploying evidence-based policy, knowledge, and technical assistance to USAID personnel, implementing partners, and the global community. E3/W leads the Agency's work in furtherance of the Water for the World Act of 2014 and in compliance with the annual congressional directive on water, sanitation and hygiene (WASH) and broader water-related work within Washington Operating Units and field Missions. In addition, E3/W serves as the technical coordination platform for all water-related issues across the Agency, and supports the USAID Global Water Coordinator in the execution of duties to guide, oversee and direct water-related programming Agency wide.

**Description of Position:** The Water & Sanitation Specialist(s) will support E3's Water Office in implementation of the U.S. Global Water Strategy and the Agency Plan by helping Missions and other Operating Units to design, implement and manage activities; conduct technical analyses, targeted research and program management on WASH and water resources management related challenges, and; coordinate and facilitate collaboration with internal and external stakeholders.

### Qualifications:

- Must be a U.S. citizen.
- You must have one year of specialized experience equivalent to the next lower grade level (FS-4) of this position. Examples of specialized experience include: (a) experience providing technical assistance, in WASH interventions in developing countries; (b) experience in partnership development, communications and external engagement; and (c) knowledge in management research, monitoring and/or technical assistance on WASH and water resources management.
- Must be eligible to obtain and maintain a Secret-level security clearance.

**Interested candidates should submit a:**

- Resume/CV;
- A short written statement of interest; and
- Official or unofficial transcripts, if education is noted as a requirement above.

Please submit your application package to [e3fsljobs@usaid.gov](mailto:e3fsljobs@usaid.gov) (<mailto:e3fsljobs@usaid.gov>). Please use the subject line "FSL APPLICATION PACKAGE: Water & Sanitation Specialist, FS-03, E3/W." Application submissions are required by 11:59 p.m. (EST), January 29, 2020. Packages not submitted by the deadline with the specified subject line—or incomplete packages—will not receive consideration.

Please note that applications received in response to the Job Opportunity issued via Agency Notice 0962 dated September 9, 2019 and October 15, 2019 will still be considered for this FSL-03 Water and Sanitation Specialist position. Also, qualified applicants that result from this notice may also be used to fill additional vacancies, as the workforce needs of the Bureau may change.
