

External Job Announcement Reg.-Nr. 5-9594/22-H

The Department of Agricultural, Environmental and Food Policy with a focus on Governance and Natural Resources in the Institute of Agricultural and Nutritional Sciences of the Faculty of Natural Sciences III at the Martin Luther University Halle-Wittenberg offers a vacancy for a

Research Associate (m-f-d)

Part time (50%).

The desired starting date is April 1, 2023. This is a household position intended for qualification purposes, which is initially limited to 3 years.

Tasks:

- Research in the field of agricultural production under resource use competition and societal claims
- Research in the field of governance of human-agri-environmental relations
- Research on local and global commons such as water, soil, biodiversity and climate in relation to agricultural production
- Analyzing these issues from the perspective of institutional economics, behavioral economics, property-rights theory, commons theory
- Participation in teaching BSc and MSc classes and supervision of students
- Support with research projects application and science management
- Help with administrative duties

Requirements:

- Master in Agricultural Sciences, Sustainability Sciences, Ecological Economics, Institutional Economics, or related fields
- Sound knowledge in agri-environmental policy, environmental governance, institutional analysis
- Experience in research or applied projects in related fields is desired
- Willingness to contribute to research projects of the department
- Willingness to work empirically
- Fluency in English and German
- High motivation and commitment
- Team player
- Interest in complex ecological and societal problems

Possibilities will be offered for further qualification (PhD) in a topic with socio-political relevance. We offer the opportunity to work in a national and international research team that is embedded in the International Association for the Study of the Commons and has close ties to the Ostrom Workshop in Bloomington USA.

Salary:

The salary is according to qualification and tasks up to E13 TV-L.

Applications from severely disabled persons will be given preference if they are equally suitable and qualified. Women are urged to apply. Applicants with a degree that does not have been obtained at a German higher education institution, a certificate must be issued to prove equivalence (Statement of Comparability for Foreign Higher Education Qualifications) of the Central Office for Foreign Education (<https://www.kmk.org/zab/central-office-for-foreign-education>).
