About WASH Institute

Water, Sanitation and Hygiene Institute (WASH Institute) established during the year 2008, is a registered non-profit government technical, training, research and development organization dedicated to providing practical solutions to tackle a wide range of water, sanitation and hygiene issues in India.

About the project

The “Skill Development in Fecal Sludge and Septage Management in India (FSSM)”, project aims to increase the number of skilled professionals in the Water, Sanitation and Hygiene sector at state, city and town levels across India and enhance access to people in safely managed disposal services through FSSM. In order to achieve this, WASH Institute proposes conducting various capacity building trainings/certificate courses on FSSM across India through classroom training/online training.

WASH Academy is an academic wing of Water, Sanitation and Hygiene Institute (WASH Institute) that conducts courses at Reddiarchatram, Dindigul, Tamil Nadu in affiliation with the Madurai Kamaraj University. The following are the courses offered,

1. One year PG Diploma in Environmental Sanitation Science and Certificate Course in Capacity Building for Health Workers from October 2010.
2. One year PG Diploma in Sanitary Inspector`s (PGDSI) course from 2018.
3. One year PG Diploma in Water and Wastewater quality Management (PGDWWQM) and PG Diploma in Non Sewer Sanitation from the Academic Year 2021 -2022 onwards

Also, conducting Two year Diploma in Multipurpose Health Worker/Sanitary Inspector/ Health Inspector (HI) course from 2019 onwards. It is a Tamil Nadu Government approved course.
