

Call for Urban Water Service Delivery Specialists in Southern Africa

Opportunity Description:

Deloitte supports public sector stakeholders to protect and restore water systems. Deloitte is currently assessing donor-funded urban water management related opportunities in Southern Africa and is looking for interested, qualified specialists. Applicants should be mid- to senior-level experts with experience in one or more of the following technical areas:

- Urban Water Service Delivery
- Municipal Water Systems
- Water & Sanitation
- Solid Waste Recovery
- Data Management and Visualization
- Climate Resilience

General Qualifications and Expectation Sought Across Technical Positions:

- Degree in international development, engineering, urban planning, environmental management, or another relevant field. Advanced degree preferred.
 - Relevant experience accepted in lieu of advanced degree
- 10+ years of exceptional experience working in the water sector, urban or municipal water service delivery, Southern Africa sector systems and governance, or water supply and sanitation services
- Demonstrates a record of successful performance in at least one of the technical areas listed above
- Experience working in transboundary water management or river basins is a plus
- Experience leading or working on a USAID or other donor-funded teams is a plus
- Additionally, experience working in Southern Africa is highly encouraged.
- Proficiency in English is required, proficiency in other languages spoken across Southern Africa is desirable.

Application Submission:

Interested persons should please submit a cover letter and CV with references as a Word document to jopetersson@deloitte.com. Note that applications will be reviewed on a rolling basis and not accepted after March 31, 2024. Only shortlisted candidates will be contacted.

About the Organization

For more than 25 years, Deloitte's International Development Organization (IDO) practice has worked with governments, development agencies, NGOs, and private firms in over 60 countries to build the institutions, legal framework, and policies required for effective public

and private sector growth. Deloitte is a leading provider of innovative development solutions to development agencies, foundations, governments, and Fortune 500 companies. Our dedicated IDO team is the vanguard for the delivery of profound impact in the global development space in alignment to the UN's Sustainable Development Goals. With more than 1000 development experts around the world, Deloitte has implemented over 150 donor projects worth a total of more than \$3 billion in more than 70 countries.

As used in this posting, "Deloitte" means Deloitte LLP. Please see www.deloitte.com/us/about for a detailed description of the legal structure of Deloitte LLP and its subsidiaries.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability or protected veteran status, or any other legally protected basis, in accordance with applicable law.
