Applicants with the required education will be assessed to determine level based on relevant experience.

Are you passionate about doing meaningful work? Do you care about water as one of our most important resources? The Water Security Agency is seeking an enthusiastic individual to join the Groundwater Services team.

We are looking for a self-starting innovative individual who encourages differing opinions and perspectives and seeks continual improvement. You follow through on commitments and strive to maintain positive, collaborative relationships with internal and external stakeholders.

As a Senior Hydrogeologist, you will undertake hydrogeological studies and will provide analysis of hydrogeological issues into meaningful cause and effect relationships.

In addition, this employee will provide groundwater information and specialized professional advice to clients and the public, will participate in coordinating the day to day operation of the provincial groundwater monitoring network and will undertake technical review of hydrogeological reports. This employee is responsible for projects or assignments of greater complexity requiring a broad range of experience and expertise.

You will also assess and interpret groundwater resources at various scales and complexities; and concludes meaningful cause and effect relationships to support the allocation, delineation and protection of groundwater resources.

Working collaboratively with stakeholders, you will strive for excellence and act with integrity while representing WSA's interests. You are committed to operating within established guidelines and value safe work practices.

You will possess a Graduate Degree in a Geoscience discipline or related engineering discipline, a licence to practice professional Geoscience from the Association of Professional Engineers and Geoscientists of Saskatchewan (APEGS). *Applicants with the required education will be assessed to determine level based on relevant experience.*

This role is subject to a satisfactory criminal record check. We offer rewarding career opportunities, competitive salaries and a comprehensive benefits package.
