

Senior Policy Analyst (Temporary for 12 months)

Division: Ag Services & Economic Development

Competition Number: **WSA-60-2024/25**

Location: Regina, SK

Salary: \$44.55-\$55.70 per hour (Classification 10)

Are you passionate about doing meaningful work? Do you care about water as one of our most important resources? The Water Security Agency is seeking a Senior Policy Analyst to join the Program Advancement team.

Reporting to the Director, Program Advancement, an employee in this job will lead project teams for strategic policy development to initiate policy renewal and systemic change.

This position will focus on providing advice and support to internal WSA branches in the development of policy, to manage complex and multi-year projects, influence internal and external stakeholders and manage cross-ministry relationships.

In addition, clear and concise communication and collaboration internally and externally is essential to ensure the Executive Committee, Minister and Cabinet have the right information to make decisions.

This position will also conduct policy analysis, and develop policies and associated implementation plans that includes identification of the problem, development of policy alternatives, analysis, development of implementation plans monitoring and continuous improvement.

You will also work among a diverse and passionate team of professionals from various disciplines.

The successful candidate will have a Degree in Public Policy, Public Administration, Geography, Land Use Planning, Natural Resource Management, Resource Economics or related fields of study and 5 years of relevant experience. Or an equivalent combination of education and experience would be accepted. Also a Project Management Professional (PMP) is preferred.

This role is subject to a satisfactory criminal record check.
