**Preparation of a Project Completion Report (PCR) for the Four Towns Water Supply and Sanitation Improvement Program**

**Procurement Ref. No ET-MOWE- AfDB-PCR-IC-01/2026- Re-advertised**

The Government of the Federal Democratic Republic of Ethiopia has received a funding from the Africa Development Bank (AfDB) towards the cost of Four Towns Water Supply and Sanitation Improvement Program for Mekelle, Adama, Gode and Bichena Towns and intends to use part of the proceeds for payment of a contract for preparation of a Project Completion Report.

The assignment will be implemented around 4 towns, and the consultant will evaluate the effectiveness and of the project and produce a PCR using AfDB approved format. The consultant will be expected to prepare the report with the support of the Ministry of Water and Energy/Water Development Fund (MOWE/WDF) Project Experts. The report will present the physical achievements of the project by components and activities as well as lessons learnt and suggest a way forward. It will also present an appraisal of stakeholders' participation; project impact on poverty; gender involvement in implementation; and discuss issues such as sustainability of activities, environmental impacts of the project; and the lessons learnt during implementation.

The MOWE now invites eligible Individual Consultant to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services as indicated below:

- a) At least MA/MSc in Economics, Engineering, Business Administration or other related fields; with 15 years of General Experience and working in projects financed by multilateral development banks such as Africa Development Bank or World Bank in related assignments.
- b) The consultant is expected to have good communication, writing, and document analysis skill and have a good command of the English languages and be able to work closely with the Clients' staff and other third parties relevant to the assessment.

The interested Individual Consultants can obtain the Terms of References (ToRs) for the assignment and additional information if required, but exclusively in writing to the address below before the deadline for submission of the EOIs.

The interested Individual Consultants are requested to submit their EoI (CV) hardcopy or soft copy before or on **16 March 2026, by 10:00 A.M.** to the address mentioned below and mention “Individual Consultant for Preparation of a Project Completion Report (PCR) for Four Towns Water Supply and Sanitation Improvement Program on the envelop.

Expression of Interest submitted after the closing date and time will be rejected automatically.
