

INVITATION TO TENDER

Morupule Coal Mine (MCM) is a mining company established in 1973 to mine and unlock true value of coal for all stakeholders. The MCM business is at the heart of a prosperous future for Botswana with coal production contributing significantly to the economic development of Botswana. The Mine is owned by the Minerals Development Company Botswana (MDCB) a mining investment entity of the Government of Botswana. Morupule Coal Mine is located 7 km northwest of the urbanised village of Palapye (the fastest growing centre outside the capital city of Gaborone), along the Serowe-Palapye national highway (A14). The company's vision is 'To be a partner of choice in the global coal transition'.

MCM invites suitably qualified and accredited service providers to tender for the following:

Integrated Stormwater Management Concept Study - MCM-PMO-04-263-2605-CF-I

The critical aspects of the scope of works (SoW) are as follows but not necessarily limited to;

The Consultant shall plan, execute and deliver a comprehensive Integrated Stormwater Management Concept Study covering all relevant areas within the Morupule Coal Mine lease area. The study shall include:

- Hydrological assessment
- Hydraulic capacity analysis
