WSA 18-2026/27 – Permanent (Weyburn)

WSA 27-2026/27 – Permanent (Weyburn or Yorkton)

Join our team as an Agriculture Water Management Associate or Specialist and contribute to responsible agricultural water management. In this role, you will assess and advance drainage projects that improve farm efficiency while considering water quality, downstream flooding, habitat, regulatory requirements, and long-term watershed outcomes.

You will use technical, communication, and project management skills to review applications, analyze data, complete assessments and technical reviews, conduct field inspections, and ensure projects comply with legislation, policy, and funding requirements. We are looking for a practical problem-solver who can work independently and in the field, build positive relationships through strong communications, and explain complex information clearly while balancing agricultural, environmental, and regulatory considerations.

You will work as a part of a diverse, collaborative and passionate team of professionals from various

disciplines, contributing to projects that support responsible agricultural water management and practical outcomes for clients and communities.

The successful candidate will have a diploma or degree in a related field such as Water Resources Engineering Technology, Civil Engineering Technology (Civil Construction or Water Resources), Environmental Engineering Technology, Integrated Resource Management, or Agriculture. Professional certification with a recognized association is an asset, including designations such as P.Tech, TechAg, or P.Ag. Equivalent combinations of education and experience will be considered; three to five years of related experience is preferred.

The successful candidate will be placed at the Associate or Specialist level based on their qualifications and experience. We encourage anyone interested in this type of role to apply.

This role is subject to a satisfactory criminal record check.

We offer rewarding career opportunities, competitive salaries, and a comprehensive benefits package. To learn more about the work we do, visit wsask.ca.

To Apply: Please submit a cover letter and detailed resume by 5:00 p.m. on September 4, 2026, to hr@wsask.ca.

In your application, please include the competition number (WSA-08-2026/27 OR WSA-18-2026/27 OR WSA-27-2026/27) and tell us where you found our job posting.

We would like to thank all applicants for their interest; however, only those selected for an interview will be contacted.
