Competition Number: WSA-28-2026/27

Are you passionate about protecting public health and Saskatchewan's natural environment? Come join our team of professionals as a Supervisor, Environment Officer!

This role is responsible to ensure safe drinking water and effective wastewater management across the province. Reporting to the Manager, Compliance Promotion, you'll provide leadership, mentorship, and technical expertise to Environment Officers while working directly with water and wastewater operators, municipalities, and stakeholders to promote regulatory compliance and environmental stewardship.

In this dynamic and rewarding role, you'll lead compliance inspections, issue permits and approvals, respond to water-related emergencies, investigate regulatory concerns, and help guide critical decisions that protect communities and ecosystems. If you thrive in a fast-paced environment, enjoy problem-solving, and are motivated by making a meaningful difference for Saskatchewan residents, we'd love to hear from you.

The successful candidate will have a degree in natural or physical sciences, environmental or civil engineering, integrated environmental sciences, biology, chemistry, or physics—or an equivalent combination of experience and training—and 8 years of relevant experience.

This role is subject to a satisfactory criminal record check.
