

REQUEST FOR EXPRESSIONS OF INTEREST
INDIVIDUAL CONSULTANT

GOVERNMENT OF GUYANA
GUYANA CLIMATE RESILIENT WATER INFRASTRUCTURE IMPROVEMENT
PROGRAM (GCRWIIP)

INDIVIDUAL CONSULTANT TO DEVELOP A NON-REVENUE WATER ACTION PLAN AND PROVIDE TECHNICAL SUPPORT FOR IMPLEMENTATION

Country: **GUYANA**
Name of Project: **GUYANA CLIMATE RESILIENT WATER INFRASTRUCTURE IMPROVEMENT PROGRAM (GCRWIIP)**
Operation No: **GY-L1087**
Name of Selection Process: **INDIVIDUAL CONSULTANT**
Reference No.: **GOG/IDB/IC/01**

The Government of Guyana has received financing from the Inter-American Development Bank (IDB) toward the cost of the Guyana Climate Resilient Water Infrastructure Improvement Program (GCRWIIP) and intends to apply part of the proceeds for individual consulting services. Individual consultant is required to develop a Non-Revenue Water Action Plan and Monitor the Implementation of the Action Plan. The NRW Plan will address the following:

- Review the NRW activities already being undertaken by GWI and recommend practical improvements in relation to staffing, skills, tools and information systems;
- Prepare a prioritized and practical NRW Action Plan for the Project Areas; which shall include establishment of workable governance structure, staffing, priority activities, reporting and decision-making framework and shall include validated NRW baseline and reduction targets;
- Provide technical guidance in developing the terms of reference and functional requirements for a GSM and cloud-based district meter area monitoring system that captures daily flow, pressure and other key NRW performance data.

The duration of this individual consulting service will be for a period of Fourteen (14) Months.

The Guyana Water Inc. now invites eligible Individual Consultant (“Consultants”) to indicate their interest in providing this service. Interested Consultants should provide information demonstrating that they have

the required qualifications and relevant experience to perform the services. Some of the shortlisting criteria are:

1. **Qualification:** A postgraduate degree in Civil Engineering, Water/Environmental Engineering, Hydraulic Engineering, Mechanical Engineering, Water Resources Management, or another relevant discipline from a recognized university.
2. **General Experience:** At least seven (7) years of relevant experience in water utility operations, non-revenue water reduction, and water-distribution network management.
3. **Specific experience:** At least six (6) years of specific experience in IWA/AWWA water-balance preparation and analysis, real and apparent loss assessment, and the development and implementation of NRW reduction strategies.
4. **Additional Relevant Experience:** Experience in DMA design and monitoring, physical and commercial loss reduction, NRW monitoring tools, staff training, and work with water utilities in the Caribbean or Latin America

In the assessment of EOIs, consideration will be given to technical competence, qualifications and experience, local and regional experience on similar assignments, and existing commitments. Additional criteria are included in the Term of References.

Consultants will be selected in accordance with the procedures set out in the Inter-American Development Bank: *Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank* GN-2350-15 and is open to all eligible consultants as defined in the policies.

Consultants **may not** associate with other consultants or firms in the form of a joint venture or a sub-consultancy to enhance their qualifications.

All information must be submitted in English. Further information may be obtained from the address below between 8:00am and 4:30am, Monday to Friday.

Two hard copies and one electronic copy of the Expressions of Interest must be received at the address below no later than **October 21, 2026, at 16:30pm (Guyana Time)**. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked “**Expression of Interest –Develop a Non-Revenue Water Action Plan and Monitor the Implementation of the Action Plan**”

The Government of Guyana reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.
